PERSONAL PROFILE

I'm an enthusiastic and detail-oriented Frontend developer who is working on junior position at Davr Bank PJSCB. I am learning and improving my knowledge in coding, troubleshooting complex problems, and assisting in the timely completion of projects.

TECHNICAL PROJECTS

https://travel-response.netlify.app
HTML CSS SCSS JavaScript web-site template

- Built responsive, used swiperjs and revealjs libraries.
- Using dark and light theme functions.
- Using HTML semantics and HSL colors.

https://restaurantlp.netlify.app
HTML CSS SCSS JavaScript web-site template

- Built responsive, used revealjs library.
- Using dark and light theme functions.
- Using grid and flex-box
